**Re: Postponement of Proposed Changes Pending in Case 22-E-0124**

Dear Secretary Phillips:

In accordance with Commission rules, Central Hudson Gas & Electric Corporation ("Central Hudson" or the "Company") hereby files the following electric tariff supplement:

**P.S.C. No. 15 – Electricity**

Supplement No. 127

The purpose of this filing is to postpone until July 25, 2022 the effective date of the following tariff leaf which was initially filed on February 28, 2022:

**P.S.C. No. 15 – Electricity**

13<sup>th</sup> Revised Leaf No. 120

A filing by the Company was made to postpone the above referenced tariff leaf at the request of Staff at the NYS Public Service Commission to allow for additional time to address comments filed in Case 22-E-0124 by Charter Communications. The aforementioned filing to request postponement by supplement 126 was previously submitted with an erroneous effective date. The intent of this filing is to correct the effective date and request that the supplement becomes effective on June 30, 2022, on short notice.

The Company also requests a waiver of newspaper publication requirements of Public Service Law §66(12) (b) of the Public Service Law and 16 NYCRR §720-8.1 for this filing.

Questions related to this filing should be directed to Jay Tompkins at (845) 486-5203 or [jtompkins@cenhud.com](mailto:jtompkins@cenhud.com).

Yours very truly,

Christopher M. Capone  
Executive Vice President
